RED KATALAM

1. The cross-server region 'Red Katalam' will open.

Entry time	Entry area	Entry level	Max Players
Daily 6 PM - 11 PM	Dumaha	From level 76	max. 1,000 Elyos/Asmodians

2. The Dimension Hourglass must be charged in order to enter Red Katalam.
 - Added the 'Dimension Hourglass' system.
 - Being in Red Katalam consumes 1 point per minute. You can charge up to max. 300 points (5 hours).
 - The Dimension Hourglass can be charged using Dimension Hourglass items. You can get these items by completing missions.
3. The location of the entrance for Elyos and Asmodians changes at random every 10 minutes.
4. Resurrection skills, summoning skills, transformations into a Guardian General, resurrection items, mounts and Kisks can all be used here.
5. There are no resurrection bind points in Red Katalam. Anyone who dies must use 'Lunamon's Rescue' or wait for help from other players.
6. Resurrecting at an Obelisk will take you out of Red Katalam.
7. 'Garrison Siege Battles' take place in Red Katalam.
 - Garrisons can be captured by defeating the opposing faction's officer NPC.
 - Once you've conquered the garrison, monsters that appear nearby can only be destroyed by the faction that conquered the garrison. The effective area expands the higher the level of the garrison.
 - The level of the garrison increases if the Balaur Assassin who appears when the garrison has been conquered is defeated.
 - The max. garrison level is Level 3.
 - Changed the garrison symbol.

Garrison level	Garrison symbol
Level 1	
Level 2	
Level 3	

8. Raid monsters appear in Red Katalam.
 - RAID MONSTERS IN THE DEPOT

- A depot from 1-9 is selected at random every 2 hours.
 - A depot can be selected twice in a row.
 - If a depot in which a raid monster has already appeared is selected again, this monster will not appear a second time.
- A white marker for the raid monster is displayed near the selected depot.
- If a faction has levelled up all garrisons in the depot to Level 3, the nearby marker will turn red and the raid monster will appear.
- The raid monster remains for 1 hour after appearing and then disappears if has not been defeated before then.
- A system message is displayed all over Red Katalam when the monster appears.

Depot (Group)	Garrison affected
1st Depot	701st, 702nd and 703rd Garrison
2nd Depot	704th, 705th and 706th Garrison
3rd Depot	707th, 708th and 709th Garrison
4th Depot	710th, 711th and 712th Garrison
5th Depot	713th, 714th and 715th Garrison
6th Depot	715th, 716th and 717th Garrison
7th Depot	718th, 719th, 720th and 721st Garrison
8th Depot	721st, 722nd, 723rd and 724th Garrison
9th Depot	725th Garrison

- **RAID MONSTERS FOR THE STRONGER FACTION**
 - The raid monster appears to the faction that has captured more garrisons.
 - The raid monster appears to the faction that has captured more garrisons during the allotted time.
 - The monster only appears if the faction has captured at least one garrison. If both factions have captured the same number of garrisons then the monster won't appear.
 - The raid monster appears to the faction that has captured more garrisons every 10 minutes.
 - A system message is displayed all over Red Katalam when the monster appears.
- **RANDOM RAID MONSTER**
 - The raid monster appears at random no matter how many garrisons have been captured.

9. The Legion Treasure Chest appears and contains a variety of equipment.

- The Legion Treasure Chest (ancient/legendary/ultimate) appears at set times in certain places.
- A key is required to open the chest. There is a fixed probability that the key can be crafted from ancient/legendary/ultimate Alchemium using magical crafting.
- You can get the Alchemium Key needed for the magical crafting in the instance.

Instanced Zone	
Holy Tower	Get Alchemium Key from the boss
Prometun's Workshop	
Makarna	
Senekta	
Stella Development Laboratory	
Beninerk's Manor	
Tower of Challenge (lower level)	There's a certain chance that the Reward Chest: Tower of Challenge Challenger (7 days) contains the key.

10. There are ultimate weapons that can only be used in Red Katalam.

- You can find them in the Katalam Protector's Weapons Chest.
- These weapons disappear when you leave Red Katalam.
- The weapons stay with you for 10 minutes.

11. A Special Merchant will appear.

- Once the 713th-724th Garrisons have been conquered, there's a certain chance that the Special Merchants Pasirunerk and Hasirunerk will appear.
- Pasirunerk only sells legendary Katalam Treasure Chests.
- Added the Special Merchant Hasirunerk, who sells ultimate Katalam Treasure Chests.
- Pasirunerk and Hasirunerk appear together.

12. A box of Kinah containing 10,000,000 Kinah can be found in Red Katalam.
- There's a certain chance this will appear when the neighbouring garrison is occupied by the opposing faction and your own garrison has been successfully defended by defeating the Assassin Reconquistadors.
 - If you dismantle the box, each group member will receive the same amount of Kinah.
 - The Katalam Kinah Box vanishes after 5 minutes.

ORBIS TRAINING ARENA

1. The Orbis Training Arena has been added beneath Stellusia Square in Dumaha. Here you can fight in open combat regardless of faction.

- The entrance can be found behind the Teleporter at Stellusia Square.
 - Free Soul Healer and Transparency Transformation buff assistant NPCs are positioned around the training arena.
 - The Transparency Transformation buff assistant NPC will give you a new legendary Transformation buff in exchange for Stellium.
2. From level 76 you can resurrect anywhere in the Orbis Training Arena (except instances).

DEFENCE OF THE RESEARCH CENTRE

1. Added [Defence of the Research Centre] in Dumaha.

Event period	Starting region
3 AM - 04:59 AM	The event runs 1x during the event period starting at a random time and has a 50% chance of taking place in the Volcanic Ash Research Centre or in the Sand Castle Research Centre.
7 AM - 8:59 AM	
11 AM - 12:59 PM	
3 PM - 4:59 PM	
7 PM - 8:59 PM	
11 PM - 0:59 AM	

- Whether the event takes place in the Volcanic Ash Research Centre or in the Sand Castle Research Centre is decided on a random basis. Once the location is set, a system message will be displayed in Dumaha.
- The Defence of the Research Centre will start 40 minutes after the system message is displayed. This will last for 20 minutes.
- If you have successfully completed levels 1-6 in the defence battle, you will reach the final level. The number of monsters in the final level depends on your results in the previous levels.
- You reach the next level by defeating the boss monster in each one.
- The boss monster appears 30 seconds after the start of each level through the entrance opposite.
- The reward in the defence battle depends on the number of monsters you defeat: the more monsters fall, the more items you get.
- There are no rewards for a successful defence.

BATTLE AGAINST THE GUARDIAN GENERAL

1. Added the battle against the Guardian General at the altar in Dumaha.
 - The battle against the Guardian General takes place on Wednesdays, Saturdays and Sundays (in the evening) once the altar siege battle at the 10th altar ends.
 - A system message notifies players about the battle against the Guardian General 1 minute after the altar siege battle ends.
 - The battle against the Guardian General starts 10 minutes after the system message appears. This will last for 20 minutes.
 - The Guardian General will appear to the faction who conquered fewer altars, the other faction will face the Defence Troop.
 - If both factions have conquered the same number of altars or conquered no altars, the battle against the Guardian General will not take place.
 - When entering the square for the 10th altar, where the battle against the Guardian General takes place, a union is automatically formed with the same faction and the corresponding quest is accepted.
 - Whoever defeats the Guardian General or Defence Troop will receive a completion reward.
 - Aside from the quest completion reward, there are no separate rewards for defeating or defending against the Guardian General.
2. Adjusted the area of effect for automatically joining/leaving the union.
3. Fixed an issue where there was a low probability of the system message not being displayed after the battle against the Guardian General.

INSTANCES

BENINERK'S MANOR / BENINERK'S MANOR (EASY)

1. Added the new instances Beninerk's Manor & Beninerk's Manor (easy).

Entrance	Max Players	Level	Entry Digit	Reset

3. All types of ancient equipment can now be looted in the 'Narakkalli' instance.
4. Fixed an issue where the door didn't open in the Stella Development Laboratory under certain conditions.
5. Fixed an issue where the Holy Tower was not continued after destroying the Assault Machine.
6. The effect radius of the skill 'Explosive Flood' used by the boss monster Suffering Raging Prometun in Prometun's Workshop (difficult) has been expanded from 3 m to 4 m.
7. Modified the skills of some monsters in the Tower of Challenge.
8. Added a third named monster – Raging Tarukkan – to Prometun's Workshop (difficult).
9. Fixed an issue where the combat scheme of the second named monster 'Suffering Raging Prometun' in Prometun's Workshop (difficult) wasn't working in some areas.

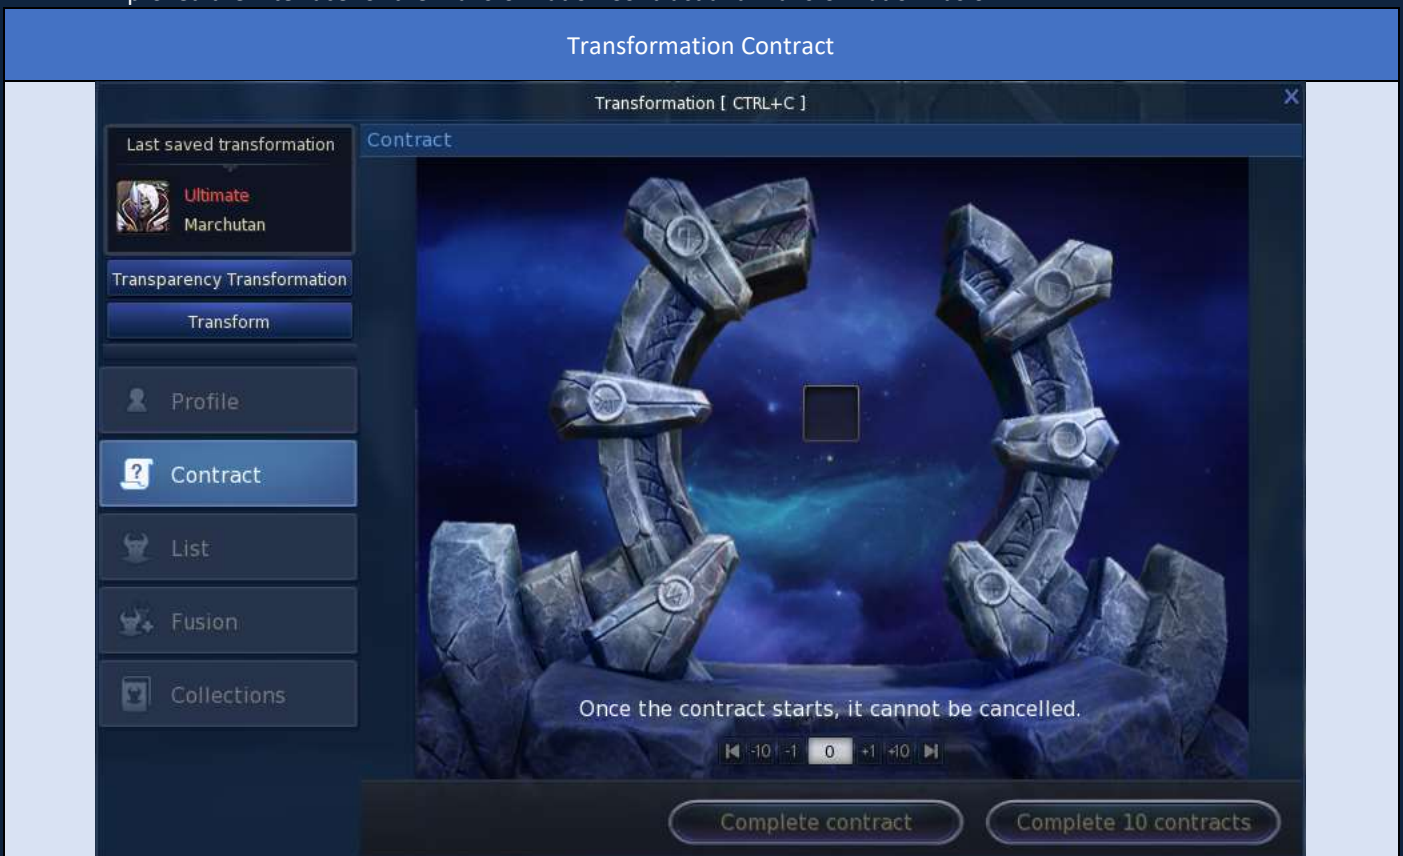

10. Fixed an issue where the result of 'Tower of Challenge' was causing issues in certain circumstances.
11. Added the fourth named monster – 'Raging Prigga' – to Prometun's Workshop (difficult).
 - Players can loot the Light Fragment War Necklace/Magic Necklace from Raging Prigga.
12. The Tower of Challenge has been split into a lower level and a middle level.
 - The lower and middle levels consist of 15 floors each.
 - The entry permissions for the lower and middle levels are added together.
13. Players at level 76 and above get less XP from monsters in instances and on the battlefield.
14. Enchantment Stones have been removed from some instance rewards (boss monsters, reward chests):
 - Narakkalli
 - Holy Tower
 - Prometun's Workshop
 - Makarna of Bitterness
 - Senekta
 - Named monsters and boss monsters in the Stella Development Laboratory (easy/normal)
15. Players can find an equipment chest inside the Narakkalli Treasure Chest in Narakkalli.
16. Reduced the damage of the Shade Protector in Makarna and modified his combat scheme.
17. Fixed an issue where skill damage was added when Resentful Commander Girad in the Hererim Mine used the skill 'Essence of Madness'.
18. Changed the item drop rate for the boss monster in '[Campaign] Taloc's Hollow'.

TRANSFORMATION

1. Added the new ultimate transformation 'Marchutan' and 6 new legendary transformations.

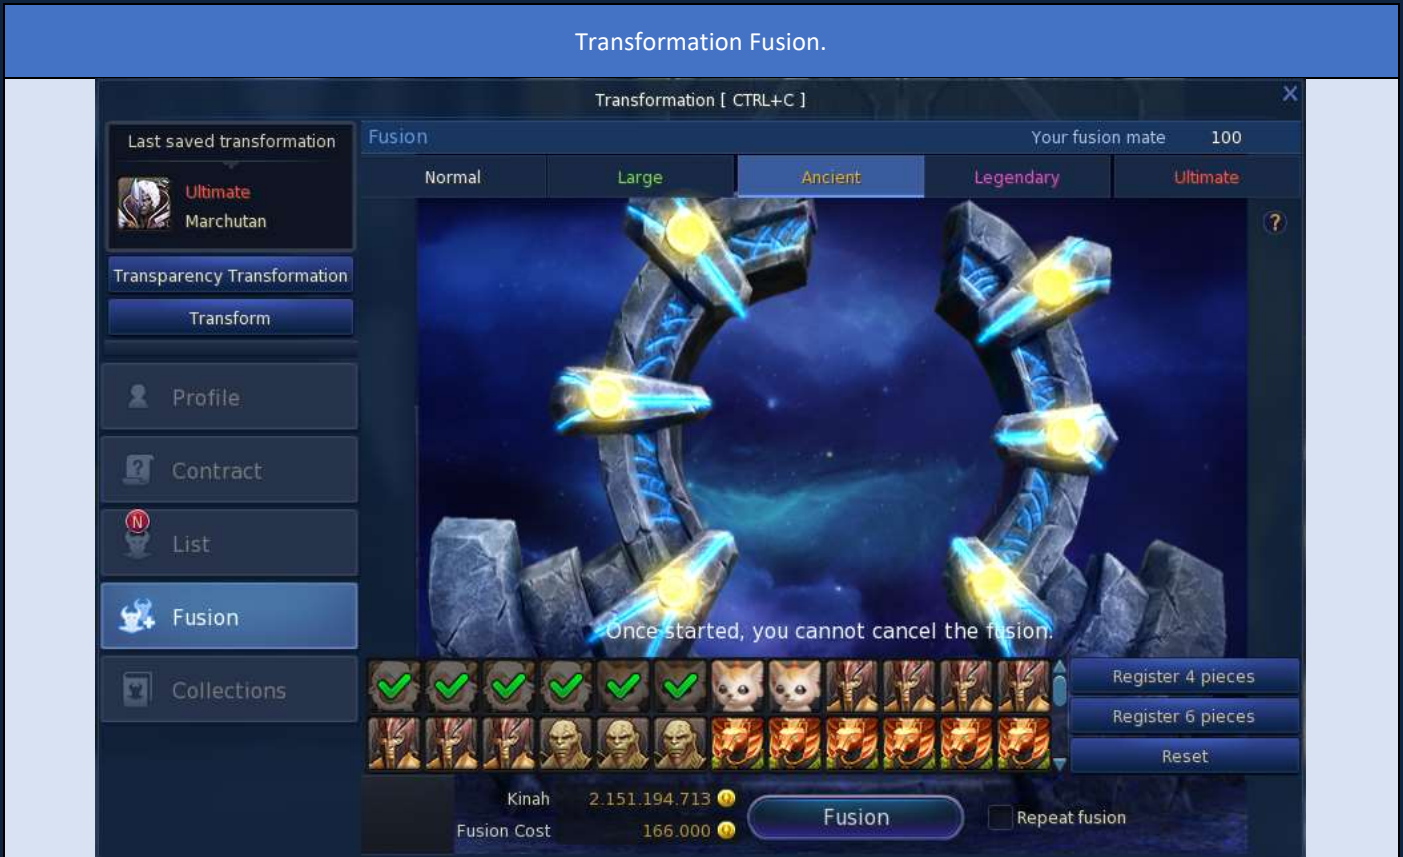

Class	Transformation
Legendary	Israphel's Apostle, Marchutan's Apostle, Zikel's Apostle Kaisinel's Apostle, Siel's Apostle, Nezekan's Apostle
Ultimate	Marchutan

2. Improved the interface for the Transformation Contract and Transformation Fusion.

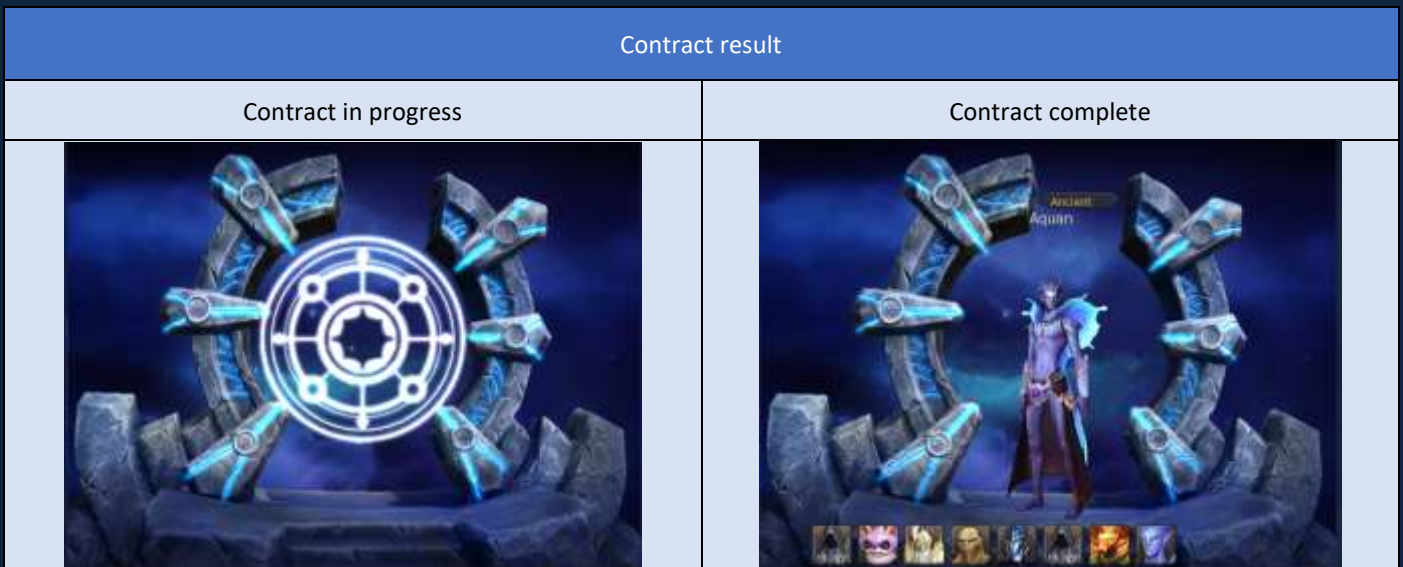

- Added the buttons 'Complete contract' and 'Contract complete 10 times'.

- You can carry out multiple contracts one after the other.

- Added an interface for repeated fusion.
 - Fusions are started under 'Repeat fusion' and run until they are cancelled or the materials run out.
 - Pressing the 'Skip' and 'Next Fusion' buttons lets you perform the next fusion quickly.

- The contract result, the transformation, is displayed in the centre of the screen. The results of repeated contracts or contracts repeated 10 times are displayed at the bottom of the screen.

3. Changed the application method for transformation collection effects.

- There are no restrictions on 6 selected effects for collections: all collection effects are executed automatically.
 - Only the highest level Collection skill can be used.
4. Transformation fusion costs are no longer uniform but differ depending on the fusion class and the materials.
 5. The ultimate transformation upgrades with new movements and effects.
 6. The voice of the character changes to match the gender after the transformation.
 - With a Transparency Transformation, the voice of the character changes to match the gender.
 - When transforming a character's appearance in an instance, the same voice is used regardless of the gender.
 7. Fixed an issue where the movement obtained from transformation using a Transformation Scroll was displayed incorrectly.

CUBES

1. Changed the area of application for Cubes.

Current	Changed
Apply on all servers for the whole account	Apply on one server for the whole account

LUGBUG'S MISSION

1. Modified the daily and weekly version of Lugbug's mission.
 - Daevas from levels 1-75 can no longer perform the weekly mission.
 - As soon as they reach level 76, the weekly mission becomes available for levels 76-80.
2. Added new quests (level 76-80) and partially adjusted the mission contents.
3. Replaced some of Lugbug's weekly missions with new ones.
 - The items needed for the missions are available in the AION shop.
4. The weekly mission '[Fortress Battle] Proof of the courageous fighter' can now be completed twice.
5. Replaced 1 daily mission per week day with a mission that can be completed in Katalam.
6. Reduced the prerequisite for the final weekly reward from 8 to 7 quests.
7. Changed the prerequisites for some missions.
