- b. The Corrosion skills have no direct effect but increase the effect of other skills through 'corrosion'. However, due to their short duration, their combination with other skills was previously difficult. We have modified the duration of Corrosion skills to counteract this.

Skill	Previous Effects	Altered Effects
Oath [Corrosion] (all)	Effect lasts 5 sec.	Effect lasts 7 sec.

- c. The effect of Harden skills previously lasted 5 sec., but as soon as the complete number of parries was activated, the buff disappeared. In combat with several enemies, the buff disappeared so quickly that its effect was unsatisfactory. We have therefore removed the activation number so that the buff lasts longer. Now you can activate Harden right away and advance fearlessly into enemy ranks.

Skill	Previous Effects	Altered Effects
